

ICG Seminar Scholarship Application

A limited number of partial scholarships are available. The Review Board of the Institute will be particularly encouraging to relatively new organizations, those that serve primarily a minority constituency, or those especially affected by cutbacks in government funding.

We are pleased to have you apply for Scholarship Assistance. Please fax your application to us and it will be submitted to our Scholarship Review Board. You will hear from us within the next few weeks. You will thoroughly enjoy our Seminars...one of the greatest coaching experiences offered in the country. We hope the Review Board will look with favor on your Application.
